

The CCA is a 501(c)(3) nonprofit organization dedicated to serving as an advocate for cancer issues in the CNMI. Cancer touches every corner of our community and our efforts are only successful with the support of our survivors, our community, and our partners, who rally with us in our fight for a cancer-free CNMI.

Hafa Adai jan Tiroow Members and Supporters of the Commonwealth Cancer Association (CCA),

As we reflect on the challenges and achievements in the efforts made to recover from the pandemic, we are excited to share with you the 2023 Annual Report of the Commonwealth Cancer Association, Inc. (CCA). This report celebrates a fresh start and the re-initiation of our fundraising efforts and stepping back into public education on early detection, key steps in our community's journey to full recovery.

2023 marked a turning point for CCA, with the relaunch of our fundraising initiatives that had been paused since the pandemic's onset. This strategic decision was motivated by our unwavering commitment to a full financial recovery and our responsibility to ensure the CCA's continued ability to serve our clients. Our successful fundraising activities have been a testament to the resilience and dedication of our community as a whole. This rejuvenation of resources will enhance our ability to provide critical support, resources, and education aimed at combating cancer from all angles.

Reflecting on the last year, we are filled with optimism about building a stronger, healthier CNMI. Despite the foreseeable challenges, the combined efforts of our devoted staff, generous donors, and passionate partners – and the resilient spirits of our survivors and caregivers – illuminate the support for our mission.

As we plan our next steps, we remain focused on advocating for critical policy changes, improving early detection screening, and strengthening support systems for those affected by cancer.

On behalf of our Board of Directors, we want to express our deepest gratitude to everyone – our staff, donors, partners, and the broader community. Your steadfast support and trust motivate us to keep pushing forward. Together, we are committed to achieving a cancer-free CNMI.

Thank you for your ongoing trust, partnership, and commitment to our mission. Your support is crucial as we continue to tackle the challenges of cancer care and promote health and wellness in our changing Commonwealth.

Warm regards,

Jocelyn F. Deleon Guerrero, *President of the Board of Directors CCA*

Lynn F. Tenorio, *Interim Executive Director*
